Transitionary Implementation Phase of the Program Policy (TIPPP)

In case you missed it, be sure to watch Jack's first Video From the Chair kicking off the TIPPP implementation countdown.

Are you following along on Facebook for the FAQs about the transition?

Today's TIPPP Frequently Asked Question:

Q: Do dancers need to know the new calls on September 1?

A: No.

September 1 is the date the new lists take effect. It is not the date by which every dancer is expected to know every call on those lists.

New calls will need to be taught. Callers should begin teaching from the new lists while recognizing that dancers need time to learn and become comfortable with the changes.

Think implementation, not instant mastery.

Watch for the New Plus Supplement Guide coming out soon for help teaching and using the new Plus calls!

NEW!

New **Timing Charts** for the Mainstream and Plus Programs are now available on the CALLERLAB website!

These updated charts reflect the new Mainstream and Plus programs and provide callers with timing information for the calls in each program.
