Dear CALLERLAB Members & Subscribers,

This is a CALLERLAB Electronic News Bulletin as of September 4, 2026.

We wanted to make sure this reaches you before the weekend — a few important updates:

Early Bird Registration Extended
Good news: the early bird deadline for the 52nd CALLERLAB Convention in Indianapolis has been extended to **September 15**. After that date, prices go up — Early Bird Caller is $300, Early Bird NonCaller is $270 — so if you haven't registered yet, now's the time.

Thank You — TIPPP Documentation
The new Mainstream and Plus program lists have been live for a few days now. Don’t forget, you can access the document quick links here: https://callerlab.org/dance-programs/

A heartfelt thank you to everyone who worked so hard behind the scenes to get the documentation ready for the TIPPP implementation. Your time, care, and attention to detail made this transition possible, and we're grateful for the effort so many of you put in to get it across the finish line.

This is just the beginning - our committees are still hard at work developing more documentation to support you in using and teaching the new programs. Stay tuned for continued updates. In the meantime…

We Want to Hear From You!
As always, our website is your hub for the latest news, resources, and registration: callerlab.org. And if you have thoughts, a success story, or feedback on how TIPPP is going, there's a quick feedback form live on the TIPPP page: callerlab.org/tippp — pick Success Story, Suggestion, or Feedback and it goes straight to the office and the chairman of the board.

Office Closed Monday for Labor Day
One final note: the CALLERLAB office is closed for the long weekend in observance of the Labor Day holiday. We will reopen on Tuesday, September 8, 2026. We hope you all have a wonderful, well-deserved weekend!

Thank you for your continued support of CALLERLAB!
